Town Council

There wasn't much doing at the meeting of council on Thursday last. The great item of interest was the striking of the rate at 17 1/2 mills on the dollar. It will take 7 1/2 for debentures and ten for general including school taxes. The rate was based on a report from the official auditor and will cover all expenditure this year but the greatest economy will have to be exercised. There wasn't much in the committee reports. The work under construction came in for a general discussion. W. R. Lindsay asked permission to close a certain lane on Knoll hill and in lieu would give the town a better one. As the change would hurt no one the request was granted. Mr. Lindsay has bought a number of lots from Mr. Amundsen and intends erecting a handsome house.

Serious Fire at Barons

A fire at Barons on Sunday morning had most serious consequences and may result in the death of an infant babe. Mrs. James McQuade got up during the night to attend to a six weeks old babe and in some way upset the lamp causing it to explode. The fire caught in the bed clothes and the baby was so badly burned life was despaired of. Mr. McQuade was seriously burned about the arm and right side in his effort to rescue the babe and is suffering considerably. Nearly all the contents of the house were destroyed and the cottage was badly damaged. An alarm was sounded and the townspeople turned out to fight the blaze. It was a sad occurrence and the afflicted family have the sympathy of the community. A relief fund was generously subscribed to and the sufferers given every possible attention. The blaze also served to impress on the people the necessity of a more generous water supply than now obtains.

Mr. Wm Moffatt Won Honors

Mr. W. G. Moffatt brought signal honor to himself and to Claresholm at the big musical festival in Edmonton last week by winning the gold medal in the sight reading competition. This is the big event of the festival and there were fourteen competitors including professionals belonging to Edmonton. Mr. Moffatt won out easily and in presenting the medal Lieutenant Governor Bulger said he was pleased to present the medal to Mr. Moffatt because he was the only competitor from the south and because he had won in the most keenly contested competition of them all. His Honor remarks were enthusiastically received. The judges were Rhye Thomas and James Mathews of Winnipeg. Mr. Moffatt was well pleased with the festival and promised to write a critique for the Review.

To Hold Memorial Service

The Masons of Claresholm will hold a memorial service in the lodge rooms next Sunday afternoon at 2 o'clock for the late King Edward who was regarded as the universal head of the order and who was past grand master of the grand lodge of England. The lodge charter will be daped for thirty days. There was a special meeting of Cairo lodge on Tuesday night in honor of a visit from S. R. Hodson of Okotoks who is D. D. M. There was a large attendance and brother Hodson's visit was greatly enjoyed. He was in Granum Wednesday night.

Sad Accident at Carmangay.

As the Review went to press word was received of a gasoline fire at Carmangay in which Mart Low was seriously burned and Supt. Nelson of the Norris Elevator Co. probably fatally burned.

The Sale for Taxes

Wednesday was real estate day in Claresholm and the occasion was the sale of land for taxes. Quite a large quantity of the land advertised had been settled for but there was a considerable quantity left which was sold by Mr. Simpson, town clerk, the sales realizing \$1060.58. There was no effort to urge bidding but the auctioneer gave every one a chance to get into the deal. Mr. W. A. Cornwall was a heavy buyer and Dr. Leam was a good second. The attendance was not very large most of the people forgetting the event. Every lot advertised was sold except one which goes to the town. The owners have one year in which to make good after which the town will issue deeds for all unredeemed lots.

Mr. Hendersons Holiday

Rev. Mr. Henderson and his sister Kate, left to-day on a visit to the old home in bonny Scotland. Quite a number were at the station to bid them bon voyage. Mr. Henderson will be away nine weeks and has made excellent provision for his work. Rev. A. H. Leslie of Stavelly will preach next Sunday. Rev. J. J. Graham B. D. of Montreal for the following four Sundays; Rev. J. S. Shortt of Calgary for the succeeding two Sundays; and Rev. D. G. McPhail of Calgary for the concluding two Sundays. It will thus be seen that the good people of the church are to be well looked after during the pastors' absence.

Departmental Exams

Word has been received that Claresholm is to be a centre for the annual Mid-Summer examinations of the Educational Department for Standards V and VI. These examinations will be conducted on June 27th, 28th, 29th and 30th. Formerly only the Standard V examination was held here and candidates for Standard VI were forced to go to Calgary or Macleod. As some eight or ten candidates are preparing for this examination in Claresholm School a special request was made to have the examination held here and the department has granted the request. This will be a great advantage in the matter of convenience and a saving of expense to local candidates. Claresholm will doubtless continue a permanent centre for all examinations of the Education Department.

Where is "Bob" Morrow?

The family of Wm Arthur Morrow known as "Bob" are anxious to hear from him. His mother is seriously ill at River Falls, Wisconsin and anxiety about "Bob" is hastening the end. If this should meet his eyes, or if someone who knows where he is would advise him, a dying mother would be made happier to know he is well.

To Readers

For this week the editorial comment is to be found on page 2 and the baseball reports on page 7.

Mrs. Frank Murray held her post-nuptial reception on Thursday last when a large number of the ladies of Claresholm called to express good wishes. Mrs. Brownlee presided at the tea table and was assisted by Miss Telford and Mrs. J. Tilden. It was a decidedly pleasant function.

Mr. Barr of Spokane, who bought the Stamm-Curkies section has arrived with his family and are settled in their new home. Mr. S. L. Fraser who put through the deal drove them out on Wednesday.

Miss Stella Cumming accompanied by her niece Dorothy Cumming left for Brandon to-day on a visit.

KING EDWARD VII— KING GEORGE V

The sudden and entirely unlooked for death of King Edward the seventh came as a severe shock to the world and has called forth tributes from every nation as to his many virtues. Edward was a ruler eminently suited by temperament for a limited monarchy. He was remarkably democratic for one born to the purple and seemed to realize that his greatest opportunity for usefulness as a ruler lay in a close interpretation of the feelings of the common people. In the policy which he pursued he displayed an astuteness which had not been predicted of him in his younger days. Time has apparently proven that the close touch of early life with the world was after all the means by which his sympathies broadened and he got that glimpse of a world not all purple and gold which he had seen at that time when opportunity came he measured up to the ideal of a ruler of a self governing people much beyond earlier expectations. He took down into history as Edward the Peace Maker and no greater honor could fall to the lot of mortal man. That he well deserved the honor his career as ruler has fully demonstrated. Edward has gone. He leaves a gracious memory. It is a remarkable revelation of the conditions of the world to day that his death does not disturb the course of events and the world wages on stopping only to pay a meed of tribute to a worthy ruler and gentleman.

George the fifth rules. Long may he reign, if he displays the same good judgment as his father. He faces opportunity and at an age giving promise of a longer reign than his illustrious predecessor. He cannot support popular government. Let us all join in the prayer that he may have the wisdom to choose his father's path to aim at making his reign tell for the betterment of the common people and the peace of the world. Unity and amity among nations is the great factor in the uplift of humanity. Edward realized that and to that end he devoted his life. The world loses by the passing of that life, unless the son takes up the task where it was laid down by the father and carries the ideal to a glorious consummation.

The issue of the Review next to be "Hospital Review". Get ready for the big campaign.

NEW DAIRY

Mr. Fred Anderson announces that he has arranged to start a dairy and will put on an up-to-date service. Fresh milk, cream and butter will be supplied. Mr. Anderson has ordered a modern delivery wagon so as to guarantee the most complete sanitary conditions and if the people are satisfied will introduce the delivery in sanitary bottles as in the cities. Mr. Anderson would appreciate it if anyone wishing to try the service would communicate with him either by phone or letter.

Fine Show Coming

Coming's Opera House May 21st, the same Pavers a company of 11 people, a band and orchestra of 11 people. The best show of the season. In the first part ever written, "Are You Crazy?" Is it really "The Time Twist" that had a long and successful run in New York city recently. This has been voted the best of the comedies ever placed before the public. The management named the play "Are You Crazy," as in the last act they will wind up in a lunatic asylum in a grand mixup, each one thinking the others are crazy.

Browns moving picture show in I. O. O. F. hall on Saturday night. There will be thousands of feet of new film with all the latest and the people are assured of something real good. Saturday night. Browns moving picture show. Popular prices within the reach of all. Come and spend a pleasant evening.

The Growing Weather

The rain and snow which fell this week spelled prosperity for southern Alberta. It was much needed and the farmers and business men are wearing the smile that won't come off. The temperature for the first eight days of May were as follows:

May	Max.	Min.
1	47	17
2	62	20
3	60	20
4	68	26
5	70	35
6	77	30
7	78	47
8	63	37

Sunday Fishing

Just a few lines of space to call attention to what may become a menace to our Sabbath keeping. It seems to be quite the pastime for numerous parties to make fishing expeditions up to the Hills, each Sunday and while we are not among the number who are styled, "straight leaved" we do think that at any rate the laws of the land should be at least observed. Of course the argument of Sunday being the only day etc. will be brought, but it seems to me that that is a rather worn out excuse. Possibly I may be called "Partisan" but I feel that this is at least a question that should be faced and answered. What do other readers think?

Yours Truly,
Citizen.

TO HAIR DRESSERS

A Splendid Hair Tonic that Makes Beautiful Hair

Every hair dresser should know about Parisian Sage, the quick-acting hair dressing, that does just what this paper tells you it will do.

Parisian Sage is a most delightful and different hair dressing, a fact that will be recognized the moment it is applied to the scalp. There is not a particle of stickiness in it; it is not greasy; it has a delicate and refined odor, and is a truly invigorating tonic that will make the hair grow, if the hair is thin, or falling out. Try a bottle of Parisian Sage. It will brighten up the hair in two days. Parisian Sage is guaranteed by O. L. Renwick to cure dandruff, stop falling hair and scalp itch in two weeks, or money back. It is particularly in demand by women of refinement, who desire soft, lustrous hair, that compels admiration. Price 50 cents a large bottle or \$1.00 a small one. Address all charges prepaid, from the Canadian makers, the Givora Mfg. Co., Fort Erie, Ont.

Notice to Creditors

In the matter of the estate of Eliza C. Fiske late of the town of Clareholm in the Province of Alberta widow deceased.

NOTICE IS HEREBY GIVEN that all persons having any claim or demands against the late Eliza C. Fiske who died on or about the fourth day of August 1909 at Clareholm in the Province of Alberta, are required on or before the first day of June 1910 to send by post prepaid to The Trust and Guarantee Company, Limited, at Calgary, in the Province of Alberta, the administrator of the estate of the said Eliza C. Fiske or to deliver to the undersigned solicitors for the said estate the names and addresses, and full particulars of their claims in writing and a statement of their accounts and the nature of the securities if any held by them and such statement shall be verified by Statutory Declaration of the claimant or his agent.

AND TAKE NOTICE that after the first day of June 1910, the said Trust and Guarantee Company, Limited, will proceed to distribute the assets of the said deceased amongst the persons entitled thereto, having regard only to the claims of which it shall then have had notice, and that the said Trust and Guarantee Company, Limited, will not be liable for the said notice or any part thereof to any person of whose claim it shall not then have received notice.

DATED at Calgary, this 5th day of May 1910.

It Was Dizzy Spells Gave the Warning

Fainting Also Alarmed Her—New Strength and Energy Are Restored by DR. CHASE'S NERVE FOOD.

Pain is often a blessing in disguise. For when you suffer you are cured of a cure.

Many who are in a really serious condition from nervous exhaustion do not realize they are in danger because they have no pain.

They are weak and restless, fatigued, their digestive system lacks the necessary vigor to digest food, appetite is poor and interest in life is wanting. Some even have dizzy spells and fainting spells, as had the writer of this letter, before realizing the danger they are in.

To such heart failure or some form of paralysis is liable to come at any moment.

Why not take definite action today so that restoration may begin at once. You can get Dr. Chase's Nerve Food at almost any store where medicine is sold and can be sure that every dose brings you so much nearer to health and vigor.

Miss Julia Martin, Ayer's Cliff, Que., writes: "Before I began using Dr. Chase's Nerve Food, I was in a terrible condition, dizzy spells would come over me and I would fall to the floor. I could not so much as sweep the house without fainting. My nervous system was all run down."

"Doctors failed to help me so I sought that which was a God-send to me because I could feel the need of restoring my system. I can now wash and do the housework without difficulty and give all the credit for the cure to Dr. Chase's Nerve Food."

The genuine Dr. Chase's Nerve Food bears portrait and signature of A. V. Chase, M.D., the famous Eclectic Book author, 50 cts. a box, all dealers or Edman, Bates & Co., Toronto. Write for free copy of Dr. Chase's Recipes.

A man who used to conduct a funny column on a Boston newspaper says "it's a hard game." "Being funny in Boston," he says, "is like making fun in a church; you don't get paid for it and you offend a lot of good people."—New York Evening Mail.

Wonder is the strength of cheerfulness and the source of endurance. The cheerful man will do more in the same time, will do it better, will do it more in a longer time than the sad and sullen. Wonder is the strength of cheerfulness, gentleness, peace, cultivation, its powers of endurance. Efforts, to be permanently effective, must be uniformly joyous—a spirit all sunshine, graceful from every standpoint, beautiful because bright.

HE INHERITED HIS ILL-HEALTH

BUT DODD'S KIDNEY PILLS CURED A BAILLARGEON'S RHEUMATISM

Further proof that no case of Kidney Disease can stand before the old reliable Kidney Remedy.

Monte Bello, Labelle Co., Que., (Special)—That a man may be cured even of inherited illness, I can prove by my blood pure and his body toned up by using Dodd's Kidney Pills is the experience of John Baillargeon, of this place.

I inherited poor health from my parents," Mr. Baillargeon says, "was bothered with Rheumatism, Lumbago and Gravel. I was always tired and nervous. In fact I was a total wreck. I tried all kinds of medicines but I got no relief till I took Dodd's Kidney Pills. The did me good and no mistake. I took fifteen boxes in all but I am cured.

My wife also has taken Dodd's Kidney Pills and received great benefit from them."

Dodd's Kidney Pills cure the Kidneys. Cured Kidneys strain all impurities, all that disease feeds on, out of the blood. That is why they always cure Rheumatism, Lumbago, Dropsy and Heart Disease.

A man can get blamed just as hard for trying to do good and failing as for trying to do bad and succeeding.

BABY CRIED CONTINUALLY

Mr. Eugene Gagnon, L'Esle, Statho, Que., says—"I believe medicine is the world for little ones. I have given them to my baby for colic, constipation and sometimes for breaking up a fever and I have never known them to fail in giving prompt relief. Before I used the Tablets my baby was very thin and cried continually. Since then he has grown up, is plump and healthy and has no more colic. I have given the Tablets to my four-year-old child who suffers frequently from convulsions and they made a permanent cure. When I have babies I will use the Tablets in the house I feel safe, and I advise other mothers also to keep them on hand. They are by medicine dealers or by mail, 25 cts. a box, a box of 50 cts. Williams' Medicine Co., Brockville, Ont.

And lots of men have pretty necks to shoulder what's the use of that? outboard applications are worthless. Williams' Pink Pills have always proved so successful—they act on the blood, and in acting on the blood they banish those eruptions and pimples, relieve those irritations and give perfect health. They have cured thousands of men whose poor blood has resulted in disease of the skin. James Wilkins, of New York, says: "I suffered a good deal with acne and did not know how to help me until I took Dr. Williams' Pink Pills. These freed my face of all impurities and gave me speedy relief. I am, therefore, naturally very enthusiastic in praise of these pills."

A medicine that can make rich, red blood will cure anemia, rheumatism, eczema, neuritis, indigestion, heart palpitation, the ill of grizzle and of womanhood and a host of other troubles—simply because these troubles are the result of bad blood. That is why the always cure the above troubles and bring the glow of health to pale cheeks. Sold by all medicine dealers or direct to you in a box or six boxes for \$2.50, from The Williams' Medicine Co., Brockville, Ont.

The officer some men fail the more money they accumulate.

Minard's Liniment Lumbard's friend

Linon stained by ink should be immediately dipped in buttermilk. Repeat this until the stain disappears.

They Suffered Excited Nerves.—Nervous affections are usually attributable to nervous action, the nerves dominate the nervous system. The nerves of the Parasympathetic system still all disturbances of this character, and by restoring the stomach to normal action, relieve the nerves from irritation. There is no adequate relief in the correction of the irregularities of the digestive process, when the nerves are in a state of excitement, as can be testified to by thousands.

HE KNEW

Wife—I wonder why there are no marriages in heaven?

Husband—Because it is heaven, of course!

In the treatment of summer complaints the most effective remedy that can be used is Dr. J. D. Kellogg's Digestive Cordial. It is a standard preparation, and many people employ it in preference to other preparations. It is a highly concentrated medicine in its solution and of pure quality are beyond question. It has been a popular medicine for many years and thousands can testify to its superior qualities in overcoming dysentery and kindred complaints.

New Lodger (sarcastically)—Is this all the soap there is in the room?

Landlady (decisively)—Yes, sir, all I will allow you.

New Lodger—Well, I'll take two more tonight. I've got to wash my face in the morning.

LESSON VII.—SECOND QUARTER, FOR MAY 15, 1910.

Text of the Lesson, Matt., 41, 22-32.

34-42—Memory Verses, 41, 22-32.

Text, Matt., 41, 36—Commentary.

Prepared by Rev. D. M. Sturges.

We have today the option of the regular lesson or a special lesson on the Holy Spirit, but as the lesson of the day gives opportunity for a study regularly. First we will continue our study of the lesson of the day.

The Holy Spirit we will continue our study of the lesson of the day.

A demon possessed man who was both blind and dumb, and the man both spoke and saw. The people were amazed and said, "It is not this the son of David?" perhaps recalling the words of Isa. xxxv, 5, 6. Then the eyes of the blind shall be opened and the ears of the deaf shall be unstopped; then shall the lame man leap as an hart and the tongue of the dumb shall be loosed. "But this is all that the son of David?" perhaps recalling the words of Isa. xxxv, 5, 6. Then the eyes of the blind shall be opened and the ears of the deaf shall be unstopped; then shall the lame man leap as an hart and the tongue of the dumb shall be loosed.

Forced by Circumstances

over which he has no control Mr. J. E. ARDELL of Claresholm has been forced to vacate and turn over to the owner the store now occupied by his Jewelry Stock. He was apprised of this some time ago but owing to some certain clause in his lease he thought perhaps he would be able to hold it for some time yet, but as it is the unexpected that happens he lost and in order to meet the demands of his landlord to vacate by the 28th of May the well known Jewelry firm of Claresholm

Has Been Forced to Sell His Stock At Once

Mr. ARDELL made a hard fight to retain his place of business and continue to cater to the high class trade he has held for the past year, but the bravest heroes must some time fall, so when it was seen the end was inevitable and the well-known Jewelry firm could stand no longer, the owner decided to turn his entire stock into cash the quickest possible way.

BESHEARS BROS. & Co. of Spokane and Calgary

The leading Brokers and Sales Specialists of North America have taken over the stock and will convert same into cash the quickest possible way. This must be done at least by the close of business May 28th. We wish to announce the doors will be closed Thursday and Friday, May 12 and 13

In order to bring about the final arrangements to close out this stock and during these two days absolutely every article this stock contains will receive such an application of the price cutting knife as to cause wonder in the eyes of everyone who can crowd into the store and see the sacrificed prices as there really will be. Only 13 short days to fill a contract by the terms of which we are forced to turn \$5000.00 worth of Jewelry into cash.

**Sale Starts at 9 A. M. on
SATURDAY, MAY 14th.**

A Sale Without A Parallel

We wish it distinctly understood that this is not a clearance sale. A clearance sale is usually a sale of undesirable goods and short lines that the merchant is tired of keeping on his shelves from year to year. This is an absolute riddance of everything in one of the most complete Jewelry stocks in this entire community, and the stock is not for just, one class or kind of people as the store contains the goods for all classes, and no matter what your status in life may be, we have the kind of merchandise to meet your particular needs and are in a position to make the prices in order to make your money do its utmost expected duty.

Quick Action Is Necessary

These are the words we wish to impress upon your minds thoroughly, act quick and you will reap in the golden harvest of dollars saved on fine Jewelry. Do not waste your precious time by waiting until the last moment. Heed these timely words and get your share. If you value your money and are interested in your personal welfare and appearance then you will not and cannot afford to miss this the greatest opportunity that has ever been presented to you. Regardless of your duties or requirements you will find the right thing here at about one half the price charged elsewhere. Do not take our word for it, do better, come and see personally and you will admit the truth of these statements.

DO NOT DELAY

The Entire \$5000.00 Stock

is a glow of glittering brightness. We will make this an occasion that will live long in the pleasant memories of the people of Claresholm and surrounding community. With every dollar purchase you will be presented with a ticket which will entitle you to \$10.00 in trade. The drawing will take place May 28th, at 3:30 p.m. Only tickets held by those present at time of drawing will be eligible.

Cash Only Does The Business

we must have cash for everything that goes out. We have entered into a contract with the powers that be, whereby we are bound to sell it all for cash. Nothing charged, nothing sent out on approval. Unsatisfactory merchandise will be cheerfully exchanged between the hours of 8 and 10 o'clock if any.

J. E. ARDELL, Entire stock being sacrificed and closed out by

BESHEARS BROS. & CO.,

OF SPOKANE AND CALGARY.

The Store will remain open evenings for the benefit of those who are unable to attend during the day.

LOOK FOR THE RED SIGN.

CROWN LUMBER CO., LIMITED
Western Canada's Largest Building Supply Concern.

Chiefly Clareholm

Roy McKay of Pilot Mount is re-joying old acquaintances here.

F. O. Walmann of the Elnor district was in town on Saturday.

Mrs. Dr. Wallin of Barons was a visitor in town Sunday.

Born at Meadow Creek, Sunday May 10th, Mr. and Mrs. Crawford's daughter.

At Clareholm on Sunday April 24, to Mr. and Mrs. Freeman Anderson, a son.

Mr. M. A. Vanhorn of Carmangay was in town Monday the guest of his brother Alth. D. B. Vanhorn.

Mr. Devereux and family have moved to Hargreaves school section east of Stoney to take up farming.

Constance Rooney of Winnipeg was a caller on his sister, Mrs. John Miller, between trains on Saturday last.

Mr. Joe Griffith attended the big musical festival in Edmonton last week and sang in the musical chorus.

Gibb McNeil of the firm of Grant and McNeil real estate agents was in town Sunday the guest of his sister Mrs. Eric Moffatt.

C. W. Beatty was in town on Tuesday the while a smile all caused by the storm. Mr. Beatty caught the grain growing out Elnor-way.

Miss Currence, who recently graduated as trained nurse at Calgary has located here and is in great demand being a skilled and most efficient nurse.

Ed Robertson has returned from a trip to his farm in the Red Deer district and reports a big rush of home-steaders into that territory which is now the best, if not the only available homestead land south of the Saskatchewan.

Word has been received of the death in Calgary of James Macdonald one of the earliest settlers in the Clareholm district and former owner of the Driskill hotel. He was well known to old timers who heard of his death with regret.

The mounted police have been instructed to watch for a smooth gent who is soliciting subscriptions for the Regina Leader without authority. He is well dressed, bare faced, medium sized, about 40 years of age and wears the name J. A. McDonald.

Mr. G. H. B. Mogg of the Bank of Commerce staff received about six hours notice on Friday last to pack up and go to Pincher Creek. He did so like a loyal bank man and took the 9 o'clock train, quite a number being at the station to see him off. Mr. Mogg's removal is deeply regretted as he was exceptionally popular with everyone.

The written examinations in connection with the Royal Academy and Royal College of music were held in Clareholm last week. Rev. P. Henderson being the presiding examiner. The candidates were Misses Pearl Gray, Hazel Strang and Mabel Anderson. The playing examinations will be held at the close of this month when Frederic de English of the Royal Academy will preside. There will be 28 pupils take this exam.

Mr. J. E. Ardell has to vacate the premises occupied and has arranged for an immense sacrifice sale, particulars of which are given on the opposite page. Those who appreciate the opportunity to get bargains should not over look this sale. It is genuine.

An interesting feature of the sale will be a drawing contest in which the holder of the lucky number will be entitled to ten dollars worth of goods. A ticket will be given with each dollar worth of goods purchased. The drawing will take place on the last day of the sale.

Dr. Leorn has a great fish story and the medal in all fairness goes to him on all points. He was fishing at Meadow Creek and landed one which not only swallowed the hook and sinker but broke the rod and nearly pulled the dock into the stream. It weighed 2 1/2 pounds and measured 19 inches from tip to tail, if that is proper expression, as supplied to its autonomy. The right made other fish, or men present green with envy and that included such well known disciples of the Old Walton as Charles James, Bert Perry, Eric Jones and others who think they have caught a few minnows in their day. The "Vice" says it broke the scales he uses to weigh the fish. In it. It certainly was a corker and gives Meadow Creek a strong pre-eminence over the 41 and Lyndon.

Jimmy Fax, Canada's greatest humorist will be here on Friday night in the I. O. O. F. hall. Don't miss hearing him in song and like if you enjoy a hearty laugh. He is easily the king of platform entertainers in his line and those who go are sure of a great night's fun. He brings with him support right up to his own standard and the people of Clareholm are in for a good time. Remember this Friday night the inimitable and funny Jimmy Fax.

W. W. Brown and mother, of Barons, were in town Sunday and Monday enroute for Olds where they will reside for a time. They were the guests of Mr. and Mrs. Colin Tillson. Mr. Brown has disclosed partnership with Mr. A. D. Cunningham and will live in the north, the climate there agreeing better with Mrs. Brown. He will be greatly missed in Barons being one of the best liked and most progressive men in the village.

A wedding of interest to Clareholm people took place in Calgary on Wednesday of last week when Mr. W. G. McKenzie was married to Miss Ethel Lucas of Calgary. The ceremony was performed by Rev. S. Bacon Hillocks at the manse. Mr. and Mrs. McKenzie have taken up residence on Fiveavenue and are well known to Clareholm friends for a happy and prosperous life. Mr. McKenzie since coming to Clareholm has made scores of friends by his sterling worth as a citizen and all join in welcoming the young bride. May they long be citizen of this good town.

Barons needs a school badly and it looks as if the inspector for this district had a duty to perform in making a recommendation to the government accordingly. The nearest school to the village at present is two or three miles and as there are enough children in the village to justify the formation of a new district the authorities should get busy. It's a shame that these new towns should be retarded by redtapism and the disinclination of a department to move unless told to do so by a member of the legislature. It is enough to make one sick of party government.

At the last meeting of the official board of the Methodist church for the present conference year the reports showed excellent progress and good results along all lines. The salary of the minister Rev. A. B. Angus has been once collected and the church funds all well sustained. Mr. W. P. Teskey was appointed delegate to the district meeting which meets this year at Okotoks with Mr. McKinnay as alternate. The church is to be repainted this summer the Ladies Aid being in charge of the work. A congregational social was held on Wednesday night at which reports were received from the different departments of the church.

The elocutionary contest held in the Methodist church last Friday under the auspices of the W. C. T. U. proved to be very largely a successful affair. A crowded audience, a good program, a noble cause, were all attributable to the zest and enthusiasm shown. There were six contestants, young ladies of Clareholm, as follows: Miss Averil, Miss Schoof, Miss Henry, Miss Gaudin, Miss Soby and Miss Hargrove. They all recited well and reflected credit on their tutor Mrs. Pawson of Lethbridge. Mr. H. W. Brownlee acted as Chairman and stated that while he failed to see why he should be called upon to act in that capacity yet he was pleased to be associated in any way with the two causes. The cause of education and the cause of temperance and he did not see any reason to be ashamed of either. A novel feature of the competition was that the names of the contestants were not supposed to be known by the judges, they each being given a number and called upon according to the number given. Neither did the contestants know the judges, so that there could be no fear of prejudice on the one part and "Stage fright" on the other. The judges recited well, according to Miss Hargrove the silver medal. Not the least pleasing items on the program were the choruses rendered by the ladies who had been so admirably trained by the indefatigable president Mrs. McKinnay. Praise for the women so rendered by some of the youth of Clareholm, who gave evidence of careful and consistent practice. The humorist, Mr. Gerald McLean was actually well received and had to return several times, as the audience refused to be satisfied. He was accompanied by Mr. Wm. Moffatt who as the chairman remarked had just returned from Edmonton, where he had carried off the Good Music Award as second prize against 19 competitors. All hail the great event of the evening will live in the memories of many and we trust that the good work of the W. C. T. U. may continue in this respect.

WEAR AS WELL AS THEY LOOK

Inspection of our Slater stock will prove their attractiveness in every detail of appearance. Time will prove their wearability as glance shows their beauty. The more you have been around, the more you must decide that Slater shoes are the better worth buying.

JONES & MUNRO,

Leaders in Fashionable Clothing.

An Old Timers Story

(Continued)

We went two miles further up the same creek (Beaver) to another ranch where the husband, wife and a nine year old boy, stood off a second band of Indians that murdered the family just mentioned. The house stood in a second bottom surrounded on the west by a high bank in a second bottom of two cellars or root houses were built in this bank, which almost faced each other. The father, when the Indians were discovered, went into one cell and hid the wife, boy and baby in the other, in this way they could protect each other. They were besieged for a day and night and until about 8 o'clock the second day, when a rescue party arrived. At one time, the first day an Indian was seen creeping up to the mouth of the cellar in which the man was located and the boy seeing the danger his father was in, he ran to his mother and she gave him a pistol and I shot him, for if he kills father, then they will kill you and baby; and it was with difficulty that we were restrained. The mother fired a shot at the red skin who beat a hasty retreat. We had dinner here and started on our journey. This would be the last water we would have until we reached the Cameron river about 100 miles. We traveled till about 10 o'clock that night and slept until daylight, started early on the morning of the 12th. About 8 o'clock in the afternoon we came in sight of the timber on the Cameron at the Big Bend, when we were about one mile from the river straight ahead and a little nearer to the right, we saw five or six men near the river. We supposed them to be our men being along with the lost herd. After a while observation told us that they were noble red men of the forest and that all the territory down to which belonged to them, so we started on straight ahead on a gallop. The Indians swung in behind us, firing several shots and yelling all the time. We kept straight ahead thinking it was easy matter to out distance them. When we were within 200 yards of the river and when about to descend from the table land to the river bottom we discovered the main camp of the savages. We turned to the west and had only gone a short distance when we met about twenty Indians, who we had no doubt been attracted by the shots fired by our pursuers. We were completely surrounded. We retreated to the head of a gulch that ran eastward to the river. There were two prongs to the gulch and I took one and Charley the other and the horses we left at the junction. We had scarcely got located when the Indians from the west came in sight. We both rose to our feet and fired several shots which caused them to retreat. Everything was quiet for twenty or thirty minutes, when an Indian lying on the side of a white pony came to within 150 or 200 yards of us and turned to the left, rode in a circle, when he both fired and the pony fell. The rider hit the ground running. We fired at him but he was not going. In a little while another brave made the same circle on a spotted pony. At the crack of our guns the pony and Indian went down together and lay there. We supposed that the horse fell on the Indians leg, but the Indian made no more that we could see. They now had us isolated and commenced firing at us from all sides, but at long ranges. We lay flat on our backs and when a bullet would hit the bank near me and knock dirt or gravel in my face, I would flatten out on the ground like a spreading eagle. The hot Texas sun shone down with a vehemence of fierceness. About six o'clock, fifty or sixty warriors galloped at the mouth of the gulch, as if preparing for a charge. Charley could not see them from where he was located. But when informed of the fact, I told him to fly into the bushes and shoot fast and hard. I raised my eyes and fired five shots in rapid succession and they scattered like chaff in an Alberta Zephyr. Things were quiet until almost dark, when they commenced to build fires about 50 yards apart on the south and west of us. We remained quiet until about 11 o'clock, when Charley came over to me, and intimated that our present location would not be healthy for us for another day and suggested that we make a break for safety. We mounted our horses and rode between two of the dimmest lights. We had got almost opposite the fire when two dusky or dirty warriors were on their feet. We fired at them and put our horses on full speed. They fired several shots, but without effect.

We rode about a mile south on our back trail and then turned west and went about two miles. But on turning to go west as before stated, we run into 18 head of horses, we took them along with us and when we were about a mile from the river, we were almost dead from thirst. I rolled off of my horse into the water and quenched my thirst. We crossed over the creek and horses and started on our way. When we were a mile or two from the Cameron we encountered a herd of Buffalo that the Indians were herding away from the water. They were almost crazed with thirst and if not soon allowed to water in the Cameron would make a break north for the Arkansas river. We were compelled to ride around them as they pawed the ground and bowed their necks and our horses became nervous. We travelled most of the night as we had plenty of horse flesh and at 10 o'clock next day came to a camp of immigrants at a place called the Willows. There were seven wagons, twelve men and seven women and several children. They invited us to stay for dinner which we did gladly. We left our horses saddled and while eating dinner we heard an awful roaring as if an earth quake. We could see no clouds. But a Kansas man cried, Cyclone! We all stood amazed when Charley cried out for your lives! Buffalo! There were some noisy cliffs about 150 yards to the east of the camp. We caught our horses and told all to go to the bluffs and we went to meet the infuriated herd, in the vain hope of saving our horses. We rode along the side of the leaders, fired our six shoters, waited our asses, but all in vain, on they came for the doomed camp. A man from Missouri, came out and told the herd with a white sheet wound around him. He stood his ground until they were within twenty rods of him when he was suddenly seized with heart failure and turned to fly. He had only gone a short distance when he was knocked down and trampled to an unrecognizable mass. The man stayed at the wagon foot the same fate. The wagon afforded no more protection than a straw. Three women, five children and five men went to the cliffs and were saved. The others were trampled to pieces. Arms, etc. were cut from the body and carried for a fourth of a mile.

Exhibition Ball

The exhibition match between Claresholm and Stavely on Friday last was an interesting game of base ball but rather too slow to cause interest. There was some disappointment that the local team were not able to take the visitors into camp and perhaps it was just a practice game for the criticism has not arrived. Claresholm is going to have a strong infield, that much was made certain. It was particularly strong in comparison with the rest of the team. There was some belief that when the battery works into shape there will be something doing all the time. Sears was in the box for the first inning but did not seem to be in form. His work there would not justify a salary. He was replaced by Graff and sent to third where he did shine. He was brilliant in one or two plays. It may have been his off day as a twirler but he is O.K. on the infield. Graff didn't have much of a show but he looked good and would probably develop into a strong man. He has the curves and drag off right all right. Frank Ardel on first played an allround stellar game and did himself proud. Jimmy Halsey on second was brilliant on and he will give a good account of himself before the season is far advanced. Eric Moffatt held down short and again showed that he is a natural. There are no professional ball there are few who have it on Eric. Adolphus Amundson played a steady game and had the honor of scoring the run which did the score. There was some surprise that Jack Reynolds occupied the bench but he will likely be on the line up when the game counts for more than practice. Stavely have much to blow about outside the battery. Haines was there with the goods as usual and if anything is better than ever. He did excellent work for the six innings and was the man entitled to the credit for holding Claresholm down. Hooper was fine behind the bat, sure and reliable, the rest of the field was ordinary. If course it must not be forgotten that this was the first of the season and there will be better when in camp calls the championship series. The score was six all, six in

The Boy's Play Ball

A new star has appeared on the local baseball firmament and its initial stunt seems to eclipse Halley's Comet in brilliancy. It is the school team. This bunch of embryo National Leaguers walloped the town juniors Thursday evening to the tune of 8-4 and followed it up on Friday afternoon by squelching the aspirations of Graman's school boys by a score of 15-1 in a 5 inning contest. Had the game gone the full length it might have taken three figures to indicate Claresholm's end of the score.

The game on Thursday evening was a hummer, and was witnessed by a good sized crowd of fans who thoroughly enjoyed the contest. The boys were pitted against a team of no mean baseball talent. "Ironman" Dud Munro unwound at the slab for slow time and Chester Staveland handled the catcher's basket. "Dud" had a large variety of early ones, but the school wags and Cobbs soon learned how to thump them on the head for soft hits. Leonard Staveland of Carl Milnes made an excellent battery for the school and after the first effects of stage fright had disappeared, the rest of the night began to fondle the skin-covered sphere with the affection of artists, tearing off double plays and fancy put outs, gathering in the high ones, and nipping to the prairie for the long drives. There was something doing "all the time, all the time." The score was comparatively even till the eighth, when the score stood 4-4. Then the school boys took a brace, and four of their runners crossed the home plate in this inning, leaving the final score 15-1.

Next Friday was the gala day. Arriving day was being observed in the schools, and the Graman boys, on the hill hunt for a good day's outing and the school boys, with expectations of metropolitan Claresholm. They were sort that they were coming with all their wits and money in their purses. They came early, arriving about porridge-time, had a work out (sprint practice, etc.) in the forenoon, did the town and attended the Claresholm-Stavely match in the afternoon. The boys were disappointed that the local team were not able to take the visitors into camp and perhaps it was just a practice game for the criticism has not arrived. Claresholm is going to have a strong infield, that much was made certain. It was particularly strong in comparison with the rest of the team. There was some belief that when the battery works into shape there will be something doing all the time. Sears was in the box for the first inning but did not seem to be in form. His work there would not justify a salary. He was replaced by Graff and sent to third where he did shine. He was brilliant in one or two plays. It may have been his off day as a twirler but he is O.K. on the infield. Graff didn't have much of a show but he looked good and would probably develop into a strong man. He has the curves and drag off right all right. Frank Ardel on first played an allround stellar game and did himself proud. Jimmy Halsey on second was brilliant on and he will give a good account of himself before the season is far advanced. Eric Moffatt held down short and again showed that he is a natural. There are no professional ball there are few who have it on Eric. Adolphus Amundson played a steady game and had the honor of scoring the run which did the score. There was some surprise that Jack Reynolds occupied the bench but he will likely be on the line up when the game counts for more than practice. Stavely have much to blow about outside the battery. Haines was there with the goods as usual and if anything is better than ever. He did excellent work for the six innings and was the man entitled to the credit for holding Claresholm down. Hooper was fine behind the bat, sure and reliable, the rest of the field was ordinary. If course it must not be forgotten that this was the first of the season and there will be better when in camp calls the championship series. The score was six all, six in

ump, Mr. Cronin will shut us as one of Graman's school players was umpire and did the trick to the satisfaction of all. He knows the game and is fair. Mr. Barker of the Graman team was a spectator and probably stood up the team with a view to reporting on the probabilities. It looks as if there would be good ball this year.

at short. Ward Clark and Warren Hillard the diminutive outfielders, may lack in years and avoirdupois, but they have the wing and the noodle. Russell Haig at second, Grant Clark at third and Howard Caldwell at center are all promising players. Here's to more victories for you boys! Eric Moffatt held the indicator on Thursday, and Mr. Cronin of Graman called them on Friday.

Baseball at Parkland

The Parkland Prentiss took Stavely into camp in great style on Saturday. Jack North and his bunch of pesches battered Haines all over the prairie and ran up a cricket score. It was awful because the great Mister Hughes who is to do the big stunts for Stavely this year was on the team. He was formerly a bush leaguer in ole Virginia.

MEADOW CROCK NOTES.

Several fishing parties have made tours of the various creeks and it is remarking how fertile the mud got on these expeditions.

The young folks had a happy time at Huxburg last Friday night. The final dance of the season was held and a merry time was spent. The dance was under the management of Messrs. Henry Maxwell and Bert Gillard and the crowd was just large enough to smother dancing pleasant.

Huxburg has been a centre of social life this winter, the school house makes an excellent dance hall.

Mr. Bailey is planning a trip to B.C. where he will endeavor to locate some suitable grazing land.

Our Sunday School reopened with 150 members of young and old and was found to fill a very useful place in the community.

A pleasant party were entertained at Mrs. F.J.L. Hamlyn's ranch on Sunday.

The service on Sunday was bright and cheerful. Good number were out. The missionary, Mr. Godman, preached upon "The Trust of Faith," passing his remarks upon the healing of the woman with the issue.

Meadow Creek is going to beat all its records as a wheat centre this year. There is a reason!

We hear rumors as to the formation of a base ball club. Why not? It will keep the boys muscles in trim anyway.

The news of the selling of the "44" Hitters was a surprise. Should it be decided to colonize the township it will help materially to accelerate the prosperity of Meadow Creek.

The news of the death of King Edward casts a gloom over Meadow Creek.

Where Doctors Disagree

Dr. Evan Tucker appeared before Magistrate Cumlin recently on a charge of practising medicine without being registered having hope of gain and reward. Dr. Stevens laid the charge for the medical council of the province. Mr. Fred Langmuir was prosecuting attorney and Mr. Eaton of Calgary defendant. A number of patients treated by Mr. Tucker were examined and the defence endorsed so that it was not a case of practising medicine but of acting as agent for a firm in New York who sell certain pills called "The Cure." The view that the case had been pronounced and imposed a fine of \$100 and costs. Notice of appeal was entered. It is understood that another charge has been laid.

PURITY FLOUR

And Its Keeping Qualities

SOME people find it necessary to buy a considerable quantity of flour at one time—sufficient to last for a long period. Naturally they are anxious to procure a flour of the kind best adapted to lengthy storage.

There are two important reasons why PURITY FLOUR possesses these qualities. One is that it is made entirely from Manitoba Hard Wheat. The other lies in the fact that the careful milling necessary to produce "Purity" absolutely excludes all low-grade particles of the wheat berry. It's the high grade Manitoba Hard Wheat Flour that keeps—stands long storage.

That's "Purity."

"Purity" flour may cost a little more, but is more than worth the difference. Try it. Watch results both for quality and yield.

Rich Red Blood

You Will Never Have it as Long as
You Have Dyspepsia

Just as long as you have dyspepsia,
your food will not properly digest, and
the nutritious elements in the food will
not be extracted or absorbed, and im-
poorish or watery blood will follow.
This condition may not be apparent
at first, but it will come just as sure as
the sun will rise again.

Any stomach ailments, including all
forms of indigestion, can be promptly
cured by using **Microna** tablets, a scien-
tific treatment unsurpassed.

It stops fermentation, belching of gas
and taste of sour food almost at once.
The mighty power of **Microna** to invig-
orate and restore the stomach to perfect
condition is known everywhere.

Microna cures by building up—by
banishing the cause. For this people it
is a great flesh builder, because it causes
the stomach to give more and purer nu-
trition to the blood. It cures sea and car-
sickness and vomiting of pregnancy al-
most immediately. O. L. Reinecke sells
Microna for 50 cents a large box, and
guarantees it to cure or money back.

HYOMEI
(FAMOUS KIDNEY CURE)
CURES CATARRH, ASTHMA,
BRONCHITIS, COUGHS, COLIC, AND
MONEY BACK. Sold and guaranteed by

O. L. REINECKE.

To The Public Generally.

Having bought the Economy Feed Stables and Draying
business from Mr. W. C. Burnham I am arranging to enlarge
the facilities and carry on the business on an extensive scale.
I will conduct a feed and sales stable second to none in
Southern Alberta and farmers in giving me their patronage
will have the assurance that I know how to care for horses
and use them right.

The livery department will be equipped with the best of
vehicles and the speediest of road horses. Travellers and others
can count on a most satisfactory service.

I will continue the draying business so well built up and
hope by prompt attention to hold all the present patrons of
the service and gain many new ones.

We are arranging to install a stock yard and weighing
scales and will soon make an announcement of interest to the
town.

A. E. Hunter.**Palace Livery, Feed,
and Sale Stable.**
